

Open Day Programme

Saturday 20 and 27 June 2026

**UNIVERSITY
OF WARWICK**

Welcome

This programme includes all the sessions taking place today.

All your booked session details are included in the latest email from us. Please speak to us at an **Information Point** if you need help checking your bookings.

Entry to pre-booked sessions requires confirmation of your booking and is limited to you plus one guest to prioritise student attendance. If you've not booked, please arrive 15 minutes before the start time and staff will advise if space is available.

We hope you have a great day!

Accommodation

A selection of our residences are open to view today from 10:00-15:45.

Use the **Open Day Map** to find your way around. Our student ambassadors are here to help. You may not have time today to see everything, so we recommend visiting both a shared and en-suite option to compare.

Don't forget to take home your accommodation booklet for reference and speak to our **Accommodation Team** at the **Information Fair** in the **Rootes Building** if you have any questions.
