Need help getting around campus?

Most buildings on campus are within a 10 minute walk of the main Piazza, but you’ll need more time to get to some areas, such as Life Sciences.

To help you find your way, Guided Walks to Life Sciences, Warwick Medical School, Lakeside Village and the Sports and Wellness Hub are available from the Campus Tour tent – just ask an ambassador or staff member when you get there.

A mobility bus is also available on request if you need any help getting around – again, you can ask our ambassadors and staff members for more information.

Scan here to find out more about accessibility on campus

6th most targeted University by the UK’s top 100 graduate employers (The Graduate Market in 2022, High Fliers Research Ltd).
How to make the most of your day

1. **Explore our campus!**
   Head over to our campus tour tents outside WMG and the Arts Centre, where our friendly student ambassadors are ready to take you on a guided tour of campus. Tours are running from 09.00 – 16.00 and last about an hour.

2. **See inside our accommodation**
   (open 10.00 – 17.00) – our student ambassadors are waiting to show you our rooms and share their experiences of living on and off campus – see page 8 for more details of the halls open today.

3. **Visit the Information Fair**
   (open 09.30 – 16.00) – drop in anytime to meet staff and students from a variety of societies, student support services and academic departments, all of which contribute to the student experience at Warwick. See page 6 for more details.

4. **Engage with our academics**
   and find out more about your chosen course in the department sessions — the full schedule starts on page 10. Many are also holding drop-in sessions today if you haven’t booked.

5. **Visit the fantastic Sports and Wellness Hub**
   to see what you could get involved in; you may even see some of our sports clubs while you’re there! They are also running tours until 15.30 – just ask at reception.

“**I love how diverse and accepting Warwick is. There’s something for everyone here and difference is embraced! On Open Day, get a feel for Warwick, try to imagine yourself here, talk to lots of people, and explore the course and extra-curricular activities.”**

— Katie, German and History student

Students from a selection of our societies will be available to talk about what they do in our Information Fair.

“I love opportunities to get involved outside of our studies because they help us to meet new people and discover new interests. I also love the support I get through my course in terms of career opportunities and external speakers, which prepare me for life beyond my degree.”
