

Step 1: <https://www.futurelearn.com/courses/carbon-literacy> . Click *Join course*.

The screenshot shows the FutureLearn website interface. At the top left is the FutureLearn logo. Navigation links include 'Subjects', 'Courses', and 'FutureLearn for business'. There are 'Sign in' and 'Register' buttons at the top right. Below the navigation, the breadcrumb path is 'Online Courses / Nature & Environment'. The main content area features the Warwick University logo and the course title 'Reducing Carbon Footprints: Taking Action for a Sustainable Future'. A brief description follows: 'Explore key concepts relating to climate change and learn how to take climate action to reduce your carbon footprint.' Below this is a banner image of a person wearing a white hard hat. To the right of the main content is a course details box with the following information: 'Reducing Carbon Footprints: Taking Action for a Sustainable Future', '5 weeks', '3 hours per week', 'Digital certificate when eligible', and 'Introduction to...'. A green circle highlights the 'Join course' button in this box. Below the details box is a link 'Find out more about how to join this course' and a 'Support' button.

Step 2: Sign in if you already have an account or register.

The screenshot shows the FutureLearn sign-in and registration form. At the top left is the FutureLearn logo. The form has two tabs: 'Sign in' and 'Register', with 'Register' being the active tab. The form fields are: 'First name *' with an input box; 'Last name or initial *' with an input box; 'Email address *' with a note 'Please check your email address to make sure it's correct.' and an input box; and 'Choose a password (min. 10 characters) *' with an input box. A 'Support' button is located at the bottom right of the form area.

Step 3: Fill out the questionnaire or click *I'll do this later*.
