

8 Learning Languages

Did you know that there are over 100 languages and dialects spoken by people living in Coventry and Warwickshire?

YOUR CHALLENGE: Can you complete each of the challenges below, with as many answers as you can fit in the box (or around it)? Ask for help if you're not sure, or you could challenge your family friends to do the challenges as well, and see who can come up with the most answers!

Language List

How many different languages have you heard of?

Language Adventure

Ask family and friends what languages they speak?

Language Lesson

How do you say **hello** in other languages?

Orla and Cathy work in the School of Modern Languages and Cultures and their job is to visit schools and the local community to run workshops and activities on languages and language learning.

Orla and Cathy help encourage people to start learning a new language and highlight the significance understanding different languages makes to all our lives.
