

19 Languages for Peace

Understanding languages other than our own not only helps us to understand what people are saying, it helps us to understand their feelings as well

YOUR CHALLENGE: In the word search, can you find the 13 words that mean peace in different languages? Words go up and down, left or right.

A	Â	A	Á	D	Ó	X	E	Ü	B	E	A	D	E	A

SÍOCHÁIN (Irish)

TAIKA (Lithuanian)

UDO (Ibo)

Kate works in the School of Modern Languages and Cultures and does research on French theatre, literature and history.

Kate's research helps us to better understand the culture, hearts and minds of our closest neighbour so that we can connect meaningfully with them. Not just on an individual level but also across government, business, security and the creative sectors.
